Carlton

CARLTON

Raleigh looks not only to its own massive resources to create the finest racing machine, but also incorporates some of the best components from abroad. Hence a Carlton specification reads like a testimony to all that's superior, most favoured and demanded by today's discerning rider.

CORSA

The famous Corsa comes in a wide range of sizes, 18" with 24" wheels, 19½" with 26" wheels, 21½", 22½" and 23½" with 27" wheels.

Corsas feature alloy centre pull brakes, alloy handlebars, and forged alloy stems. The Raleigh 3-pin detachable chainset is fitted in 49 tooth for the 5 speed or 40/49 tooth for the 10 speed. Flamboyant Copper or Poly Lilac for the 5 speed model. The ten speed model is in Poly Lilac.

CONTINENTAL (Left)

In 19½", 21½", 22½" and, for the really tall rider, we have a 25½". All beautifully equipped yet inexpensive. The Continental sports alloy handlebars, forged alloy stem, alloy brakes with hooded levers. All sizes are fitted with a leather saddle and all are equipped with 5 speed derailleur.

The brilliant colours are Aqua Green or Poly Blue (25½" Poly Blue only).

CORSA 18"/24" (Not Illustrated)

The Corsa 18"/24" sports Mini Maes alloy handlebars with junior short reach levers operating the side pull alloy brakes. A junior plastic race saddle is fitted, and single plate chainset with 5½" cranks are used. A 5 speed only model is available in Copper Bronze or Poly Lilac.
