## FRAMESETS

**EVERY FRAMESET INCLUDES** chrome molybdenum steel fork, two water bottle mounts, shift lever boss (Shimano S.I.S., Suntour S.I.C. and Campagnolo Syncro compatible, specify for aluminum frame when ordering shift levers), head tube and fork reamed and faced for Campagnolo dimension head set, English threading, and heavy duty precision sealed bearing bottom bracket assembly. Finished with durable Durethane polyurethane enamel.

**QUANTUM.** Frameset only (odd sizes 51-63cm) .....\$449

The Quantum represents an incredible value in its category. Only a few years ago you would have paid five times the price to get its performance. From precise alignment, to power train efficiency, to superb ride and handling, it incorporates all the characteristics that have made Klein famous. Frameset includes recessed brake mounts. Available in Very Fast Red with Chrome fork. *No custom options available.*

**QUANTUM ELITE.** Frameset only (odd sizes 51-63cm) .....\$595

The Quantum Elite has been compared to the Porsche in beauty and performance, yet it is priced like a Volkswagen. Frameset includes recessed brake mounts, color matched fork and pump, and additional detailing. Available in Sable.

**PERFORMANCE.** Frameset only (even sizes 52-62cm) .....\$449

The Performance delivers Klein's exceptional ride, handling, power train efficiency and frame alignment at an exceptional price. It's an all purpose bike offering unsurpassed value. Frameset includes front and rear dropout eyelets and rear rack mounts. Available in Shadow Silver with Chrome fork. *No custom options available.*

**PERFORMANCE ELITE.** Frameset only (even sizes 52-62cm) .....\$595

The Performance Elite is one beautiful road machine. Take it racing or high speed touring. Frameset includes front and rear dropout eyelets, rear rack mounts, color matched fork and pump, and additional detailing. Available in Sovereign Blue.

**MOUNTAINKLEIN.** Frameset only (19, 21 & 23 inch) .....\$550

The MountainKlein has become an all-terrain industry benchmark. Its ultra light weight and superior geometry give excellent low speed maneuverability, high speed tracking, shock absorption, power train efficiency and durability that are unequalled by any other make. Frameset includes three water bottle mounts, rear rack mounts, front cantilever bosses, rear XC bosses, fender mounts and shift and brake cables routed through the down tube. Available in Very Fast Red with Chrome fork.

**PINNACLE.** Frameset only (18, 20 & 22 inch) .....\$550

The Pinnacle's geometry is designed to get you there first. Awesome performance with handcrafted beauty and elegance. Frameset includes three water bottle mounts (only two on 18 inch), rear rack mounts, front and rear dropout eyelets, front cantilever bosses, rear XC bosses, shift and brake cables routed through down tube. Available in vibrant Flare with Chrome fork.

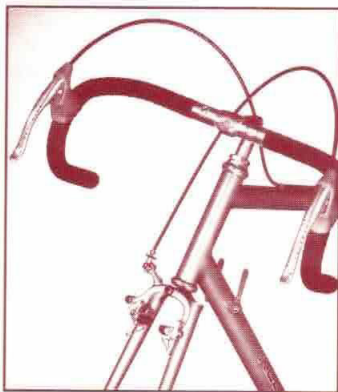

**PINNACLE ELITE.** Frameset only (18, 20 & 22 inch) .....\$749

The Pinnacle is a thoroughbred. It outclimbs them all. With a skilled rider aboard, it descends faster too. Its more sensitive handling is also good for touring or general road use. Frameset includes three water bottle mounts (only two on 18 inch), rear rack mounts, front and rear dropout eyelets, front cantilever bosses, rear XC bosses, shift and brake cables routed through down tube, color matched fork, and additional detailing. Available in extremely hot Backfire!"

## THE ALUMINUM KLEIN

Congratulations. In considering Klein, you are not only selecting the world's best engineered frames but one of the world's finest riding bicycles as well. And after all, isn't that what it's all about?

Building an aluminum frame isn't difficult. Building them right is. From the custom cutting of Klein Power Tubing—to the multi-coat application of Durethane enamel—each Klein is constructed to blend strength, comfort, handling and efficiency of design into a truly superior product.
